Das ausgeklügelte TENO-System macht es möglich: Damit bauen Sie nicht nur Tische, sondern auch Regale, Ablagen, Beistellmöbel, Garderoben und und und.

The ingenious TENO system makes it possible: So that you can not only make tables but also shelves, filing cabinets, side tables, wardrobes and much more.

Le système ingénieux TENO le permet: Ainsi, vous ne concevrez pas uniquement des tables, mais également des étagères, des rangements, des meubles d'appoint, des garde-robes etc.

A black, round, high-top table with four thin, black, cylindrical legs. On the table, there is a bottle of clear spirits, a tray with several glasses containing drinks with lime, and a small black pitcher.

A black, high-top stool with a circular seat and a green-painted metal frame with a triangular base.

A white wooden door with a decorative glass panel featuring a geometric pattern.

A white wooden door with a decorative glass panel featuring a geometric pattern and a dreamcatcher hanging from the top.

A glass display cabinet with a white frame, containing various glassware and bottles. The cabinet is placed on a wooden crate with the word "MUTZ" visible on its side.

Wooden shelves mounted on a white wooden wall, holding various bottles, a vase with dried flowers, and other decorative items.

Concrete steps leading up to the white wooden doors.

high system

Die patentierte Weltneuheit: QuickClick® – das erste Gleit- und Stopp-System mit austauschbaren Einsätzen.

Basis nur 1 x am Möbel oder Objekt befestigen; je nach Bodenbelag den passenden Einsatz wählen und einfach einklicken; jeder Einsatz ist ohne spezielles Werkzeug jederzeit wechselbar! **Der erste Schutz für Möbel und Böden!**

The patented world novelty: QuickClick® – the first slide and stop system with exchangeable inserts.

*Fasten base to furniture or object 1 x only; depending on floor surface select the suitable insert and simply click in; each application is easily exchangeable at any time without any special tools! **The first protection for furniture and floors!***

La nouveauté mondiale brevetée : QuickClick® – le premier système de glissement et d'arrêt avec des inserts interchangeable.

*La base est fixée une seule fois au meuble ou à l'objet; selon le type de sol, choisir l'insert correspondant en le cliquant tout simplement; chaque insert peut être changé à tout moment sans outil spécifique ! **La première protection pour meubles et sols !***
